How To Use The Book

My FeelGoodX book is the perfect tool if you're looking to grow your inner strength. It demonstrates how other elements in your life can lead to more significant change and new opportunities, reminding you always to feel good. It allows you to reflect on the three deepest parts of your life, namely: in your heart, in your health, and your soul. A mixture of personal anecdotes, inspirational quotes, and questions. It's carefully designed and filled with plenty of free space to record your reflection and insights on your life journey.

Be clear FeelGoodX Book is a great way to spend time your time. It's a safe space to talk about everything and how to overcome personal struggles. As you flip through the book, glance at the stories and illustrations you cherish the most, and feel good throughout the entire day.

It's time for you to discover why you feel the way you do and how to figure out what to do about it.

- Use this book to identify your future goals and aims.
- Keep it as your journal and come back later to other sections as you need them.
- Write own story and keep those memories forever. You can also write/type notes, to-do lists, and your daily plans in this book.
- Do the activities to reflect and provide insight about your journey.
- Draw or copy paste images that you desire that represent each category or element.
- Create your own quotes or incantation for the day or any related topics, events, or situations to encourage you throughout the day.
- List all the bad and the good things that happened to you, or that makes you feel good.

Mind Map with FeelGoodX

A Letter to Myself about Eating Healthy

Dear Me,

You have tried to get more sleep and drink more water. Before you didn't drink enough water, and you ate foods with high fats and sugar. You made poor food choices and didn't take care of your body, but now.

Body and Movement

Moving your body plays a much more significant role in your emotions, learning, and relationships than just physical attributes such as strength and endurance. A healthy body participates in all our thinking, understanding, feeling, and decision-making processes.

"The body will become better at whatever you do or don't do. If you don't move, your body will make you better at not moving. If you move, your body will allow more movement."

- Ido Portal

Premise

This refers to your personal beliefs. What do you believe? What is the core value that shapes you? Are you going to support your view? Do they drag you far forward or hold you back? How are you expected or want to be in this part of your life?

“Movement is the song of the body.”

-Vanda Scaravelli
